

Upstate Airport Revitalization: North Country Airports

 **Watertown International Airport
FBO Hangar**
22529 Airport Dr, Dexter, NY 13634

**JUNE
15** 10am-12:30pm

Part of the Upstate Airport Economic Development and Revitalization initiative, three North Country Airports (Watertown, Ogdensburg, and Adirondack Airports) aim to promote, revitalize and accelerate projects to modernize the region's commercial passenger service airports.

Governor Hochul said, "By making critical investments to further modernize facilities across upstate New York, we are lifting upstate airports to new heights and providing a 21st century transportation experience that travelers expect and deserve."

The event will focus on upcoming projects with DBE/MWBE/SDVOB goals at:

- **Watertown International Airport**
- **Ogdensburg International Airport**
- **Adirondack Regional Airport**

You are invited to learn more, meet with decision makers, network with peers, and find opportunities to become involved.
